**Mission:** The American Cancer Society is the nationwide community-based voluntary health organization dedicated to eliminating cancer as a major health problem by preventing cancer, saving lives, and diminishing suffering from cancer, through research, education, advocacy and service.

*The Relay For Life committee would like to thank the volunteers and others who support the American Cancer Society, the cancer survivors in Winneshiek County and survivors across the nation. The kindness and generosity expressed will help the American Cancer Society achieve the mission to eliminate cancer as a major health problem by preventing cancer, saving lives and diminishing suffering from cancer through research, education, advocacy and service.*
